TO: Synergy Oil & Gas DESIGNATED AGENT Sammie Atassi
ADDRESS Same ADDRESS 4406 Kanawha Ave
Chas WV 25304

The above well is being posted this 9 day of June, 2011, for a violation of West Virginia Code 22-6- and/or 35.47 CSR Series 13, Section 6.2, a Legislative rule of the Office of Oil and Gas of the Department of Environmental Protection, set forth in detail as follows:

Failed to maintain mechanical integrity on underground injection control well. Failed to ensure there is no significant leak in the casing, tubing, or packer.

To abate the violation you must:

Repair UIC well properly to ensure mechanical integrity. Must conduct a mechanical integrity test, notifying inspector 24 hours prior, on well with passing results. If well is not repaired it must be plugged properly.

A copy of this notice has been posted at the wellsite and sent by certified or registered mail to the person or Designated Agent named above.

You are hereby granted until July 9, 2011, to abate this violation.

Failure to abate the violation by that date will result in bond forfeiture and may result in assessment of civil penalties, filing of misdemeanor charges and/or an act of injunctive relief.

An informal conference with the Oil and Gas inspector should be arranged prior to the date set forth above for abatement of the violation.

If you wish to contest this violation, refer to procedures outlined in West Virginia Code 22-6-4.
